

Assignment for Video #2 – Writing Across the Academy

Activity

1. On a blank sheet of paper, spend 15 minutes to consider your academic field.
2. What kinds of writing are prominent in those fields?
3. Which of the broad categories listed in this video do you feel your discipline fits within?
4. What kinds of writing do you think professionals in that field will typically write?

Use this as an opportunity to begin considering what kinds of writing are going to be most important to your academic and professional career.
